## Transforms the workstation label printer into a work-*place* label printer.

The LW-PX800 is an easy-to-use, flexible and powerful label printer that is an essential tool for the entire workplace. Fast print speeds, a compact design, and the best label-creating software on the market, the LW-PX800 gives you the ability to communicate visually across a wide variety of industry applications. Wi-Fi connectivity opens up the printer to multiple users, increasing the flexibility of the printer while substantially reducing costs. The LW-PX800 is the single-source labeling solution everyone in your company will use. It can print on more than 163 labeling materials including magnetic tape, heat shrink tube, glow-in-the-dark tape, and industrial adhesive labels up to 1.5". K-Sun backs the quality of the LW-PX800 with an unrivaled lifetime warranty and expert one-on-one customer service – a combination that can't be beat.

### Fast Print Speed

Up to  
35mm/sec

### Half-Cut Labels

Half-Cut

### Longer Label Life

### 160+ Supplies

### Wider Shrink Tube
